DOMINION PROCLAMATION.

L. P. DUFF,
Deputy Governor-General.
[L.S.]

CANADA:

GEORGE THE SIXTH, by the Grace of God of Great Britain, Ireland, and the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these Presents shall come or whom the same may in anywise concern—
GREETING.

A PROCLAMATION.

F. P. VARCOE, { WHEREAS authoritative statistics compiled and published by the Deputy Minister of Justice, Canada. { Dominion Fire Commissioner show that during the past ten years four hundred and sixty-six thousand fires in Canada have destroyed insurable property, valued at more than two hundred and sixty-nine million dollars, and that during the same period two thousand seven hundred and eighty-five persons have lost their lives and it is estimated that at least ten thousand others have been seriously injured as the result of fire:

And whereas the waste thus occasioned, represented in terms of human life, money, labour, time, and natural resources, cannot be recreated but is an absolute and irrevocable loss:

And whereas it is shown by reliable statistics that at least eighty per cent. of the fires which occur originate either directly or indirectly through inexcusable ignorance and neglect and are therefore preventable, and that the exercise of reasonable prudence and proper carefulness on the part of responsible individuals would substantially reduce the losses occasioned by fire:

And whereas war-time, economic, and humanitarian considerations imperatively demand that human life and material resources in Canada be, so far as possible, conserved in order that Canada's war effort be unobstructed and the general welfare of the people may be measurably increased:

And whereas it is desirable that the attention of the public be directed to the extent and underlying causes of the preventable loss of life and property by fire and to the best and most practicable means for its control, and that

a specific period of the year be set apart and properly designated for the dissemination of such information:

NOW KNOW YE that We, by and with the advice of Our Privy Council for Canada, have thought fit to appoint and do appoint the week commencing Sunday, the fourth of October, and ending on Saturday, the tenth of October, in the present year, as "Fire Prevention Week," and we do recommend to all our loving subjects that at some time during that week as may be found most practicable:—

1. All dwellings and their surroundings be carefully inspected by their occupants and all conditions likely to cause or promote the spread of fires removed, such as: (a) Defective stoves, furnaces, pipes, and chimneys; (b) improperly installed electrical cords and appliances; (c) inflammable rubbish in attic, basement, and closets; (d) gasoline or other dangerous volatile liquids used for cleaning purposes in the home.

2. All public buildings, stores, warehouses, and factories be inspected and cleaned of rubbish in order to reduce fire hazards and maintain health and safety.

3. All hotels, theatres, asylums, hospitals, and other institutional buildings be inspected and provision made for all changes necessary to protect the occupants from danger in the event of fire.

4. Fire drills be held for the children in all schools, for the inmates of all institutions, and for the employees in all large stores and factories (particularly defence industries) in order that a greater degree of safety may be ensured by acquainting the occupants with the best and most expeditious mode of exit in time of danger.

5. Special instruction on the subject of fire-prevention be given by the teachers and by municipal officials in the schools, and that such appropriate literature as may be made available be distributed to the pupils.

6. Boy Scout leaders give instructions to the troops under their control as to the best means of co-operating with municipal fire departments in the prevention and extinguishment of fires and especially as to the desirability of qualifying for the Fireman's Badge.

7. All legislation and regulations enacted or issued by Dominion, Provincial, or municipal authorities dealing with fire-prevention be given publicity by the municipal officials and that by public meetings or otherwise as may to them seem most fit they endeavour to impress upon the citizens the national importance of safeguarding life and property from loss by fire, and particularly the safeguarding of the lives of small children from fire.

Of all which Our loving subjects and all others whom these Presents may concern are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. WITNESS: Our Right Trusty and Well-beloved Counsellor the Right Honourable Sir Lyman Poore Duff, a Member of Our Most Honourable Privy Council, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Chief Justice of Canada and Deputy of Our Dear Uncle, Our Right Trusty and Right Well-beloved Cousin and Counsellor, Alexander Augustus Frederick George, Earl of Athlone, Knight of Our most Noble Order of the Garter, a Member of Our Most Honourable Privy Council, Knight Grand Cross of Our Most Honourable Order of the Bath, Grand Master of Our Most Distinguished Order of Saint Michael and Saint George, Knight Grand Cross of Our Royal Victorian Order, Com-

panion of Our Distinguished Service Order, Colonel in Our Army (retired), having the honorary rank of Major-General, one of Our Personal Aides-de-Camp, Governor-General and Commander-in-Chief of Our Dominion of Canada.

AT OUR GOVERNMENT HOUSE, in Our City of Ottawa, this twenty-sixth day of August, in the year of our Lord one thousand nine hundred and forty-two and in the sixth year of Our Reign.
